## Retired Sylvania Staff 100 FOR 100

### What is this?

Sylvania Schools Foundation is working towards providing opportunities for our staff and scholarships for our students. We raise money to continue the legacy left by our educators and continue the traditions of our past

### What can you do?

Our goal is to get 100 retired educators to each donate \$100. And then continue the drive by finding a matching donor to help meet our goal

### Now what?
